

First for service, second to none

# Community Relations Policy

---

## The Policy

FixFirm is aware of our responsibilities to the wider community and seeks to support projects and initiatives wherever we can. We take part in providing work-experience placements, charity donations and helping in education projects. We support local apprenticeship schemes in conjunction with the local college.

FixFirm encourage donations to worthy causes within our team and support fundraising and charities that they are involved with.

A handwritten signature in black ink that reads "Craig Haughton".
