

Swarfega® Duck Oil

A silicone-free, non-conductive, low surface tension oil.

Features & Benefits

Multi-Purpose - Displaces water, prevents corrosion, penetrates / releases, lubricates, electrical insulator and damp starter and light degreaser.

Non-Conductive - Can be used on all types of electrical equipment without impairing performance. Insulates electrics due to high dielectric strength.

Releases Seized Parts - Penetrates tight tolerances to release seized nuts, bolts, components etc.

Economic - Each litre is enough to cover 20m².

Versatile - Can be used on almost any surface.

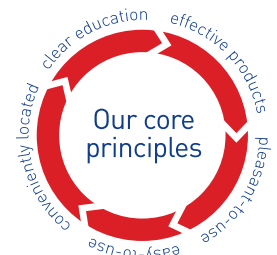

Effective - Exceptionally low surface tension means it can easily penetrate, lubricate and protect with no need to dismantle machinery and parts.

Prevents Rust - Helps protect metal parts against rust for up to 12 months, by forming a protective seal.

Easy to Use - Simply spray on and to remove, wipe with a cloth or dip in a solvent degreaser.

Silicone Free - Compatible for use in paintshops.

STOCK CODE	SIZE
SDO500ML	500ml Aerosol
SDO500TS	500ml Trigger Sprayer
SDO5L	5ltr + Refillable Sprayer
SDO500RE	Refillable Sprayer
